Hanging Floral Basket

Materials:

- Choose a Hanging Basket
- Flowering Bushes
- Rocks
- Foam Inserts
- Mixed Moss
- Krylon UV Resistant Spray

Instructions:

1. Place rocks in bottom of the planter for weight and stability.
2. Insert floral foam.
3. Simply secure the flowers by sticking them through the floral foam.
4. Cover foam at the base of the bushes with moss.
5. Spray flowers with UV Resistant spray to prevent fading.

No watering required!
